Thank you for your continued support in spreading the word about Stonebriar Smile Design via social media.

For every milestone of "Likes" we reach, there will be accommodating giveaways to our Facebook Friends. You do not have to be a patient to win!

CONGRATULATIONS to Dawn, Melissa, Bob, Troy & Liz, our recent winners, once we hit 700 likes! They chose from Sonicare products, In-office Zoom whitening and custom take-home whitening system.

Stay tuned for additional giveaways and promotions throughout the year!

Experience

SPRING 2013

STONEBRIAR
SMILE DESIGN

Dear Friends . . .

The hope of a blossoming spring season is upon us! Learning about new technology and techniques ignites my passion for dentistry! It is as exciting for me now as the day I set out on this journey. Recently I brought in amazing technology that can digitally scan your mouth to eliminate taking gooey impressions. This is great news for many patients! This also makes Invisalign and selected crown cases easier and faster. Because the scan can be uploaded directly to the lab, it is usually there before you ever walk out the door.

Invisalign also changed their aligner material. It is amazing because it has memory built into the material. It keeps constant pressure without ever getting loose. I have been involved with invisalign, the clear braces alternative, since the early 2000's and there has never been this big of a change in their material. So, for those of you contemplating orthodontic correction—think no more. Just do it! Between this material, the new scan making perfect fitting trays, and a special from invisalign going on through March 31st, the time is right. Remember, your best asset is YOU! A smile can be worth a thousand words!

It breaks my heart to think that I won't be seeing Mikka's pretty face every day anymore. She has been with me for 8 years, and now baby #3 will get to spend time with momma at home. We are all so happy for the entire James family, but she will be missed by us all.

Hopefully everyone enjoyed a nice spring break and I am looking forward to seeing your fun pictures on Facebook! I know everyone at the office enjoyed the week off and spent quality time with all of our kiddos!

Thanks to you guys we have over 700 Stonebriar Smile Design friends on Facebook. We just gave away some amazing prizes. Keep your eye out because we are always promoting a special or announcement just for our Facebook friends. March is going to be full of tips on how to be healthier and feel more beautiful on the inside and out! I will be sharing some secrets I found out in 2012.

New Impression Free Technology Available at Stonebriar Smile Design – iTero

Are you someone who isn't a fan of those sticky, gooey impressions that are needed for almost all dental work? Dr. Wade has good news for you! Now you can achieve dental work such as crowns and Invisalign without having to take any impressions. The iTero intra-oral scanner allows Dr. Wade to take a digital image of your mouth and submit electronically to our labs.

The iTero technology offers many benefits to our patients for a more convenient appointment.

- No impressions!
- Faster turn-around time for your case
- Instant potential results from Invisalign allows you to see your expected results immediately via computer
- One scan can be sent to multiple labs

Call today to see how iTero can help you achieve a healthier smile!

Stay Connected

Throughout the year we will be having several promotions through social media.

FACEBOOK www.facebook.com/stonebriarsmiledesign.com
Stay connected and promote to your friends and family to continue the giveaways! Remember – members do not have to be patients.

DR. WADE'S BLOG www.drjspearlsofwisdom.blogspot.com
This is a great way to stay connected to Dr. Wade's latest hot topics. Blogs are posted several times per month and accommodate relevant topics associated with the current theme of the office. For example, February is Heart Health Month. Dr. Wade's blogs focused on how cardiovascular disease is linked to periodontal disease, and how your dentist can help reduce your risk for cardiovascular disease. Please read and share them with your friends and family!

TWITTER www.twitter.com/jillwadedds
Want to know all about Dr. Wade & what she is up to outside the office? Stay connected to her via Twitter and find out where she and the twins are in the community.

Frisco Women's League Tea

It's that time of year again! The annual Frisco Women's League Mother - Daughter Tea. The girls and I will be in attendance again this year! We are excited to wear our pearls and see many of our lovely patients as well! **The 8th Annual Mother & Daughter Tea will be held May 4th, 2013, with two seatings this year – one at 10:00am and one at 2:00pm.** Tickets go on sale to the public March 1st. The Sci-tech discovery center is this year's beneficiary. Visit www.fwltea.org for additional information.

APPOINTMENT CONFIRMATION

Why is it so important?

Many of our patients utilize our Smile Reminder system that allows you to receive appointment reminders via e-mail and text message.

When you confirm that you are attending your reserved appointment time, this allows us to run as efficiently as possible. Dr. Wade and our entire team prepares for your unique appointment to provide the best experience possible. Our goal is to get you in and out of your appointment on time and spend the time allotted on what is most important, YOU!

Appointment times can be confirmed many different ways. At each visit you will be asked your preference of what method is best to confirm your appointment.

You may choose:

- E-MAIL
- TEXT MESSAGE
- PHONE CALL

TO CONFIRM VIA E-MAIL simply click the green button embedded in your e-mail message.

You will still receive a friendly "reminder" message the day before your scheduled appointment.

TO CONFIRM VIA TEXT MESSAGE you reply "yes" to the message received.

TO CONFIRM VIA PHONE CALL Our office will contact the phone number placed as your preference at least 1 week prior to your appointment. If a message is left, please respond as soon as possible with your confirmation.

Please note that appointment times cannot be guaranteed if we do not receive confirmation by the business day prior to your scheduled visit.

We thank you in advance for your cooperation with this process to ensure the time spent at your appointment is 100% focused on you!

Mikka's New Journey

As many of you know Mikka is expecting her third child. Campbell Paige James will make her arrival the end of March. We are all so excited and can't wait to meet this beautiful baby girl! Congratulations to Mikka and her family as they celebrate this new season in their life. We love you guys!

Schedule Your Dental Cleaning

Dental floss will clean the debris or dental plaque in between your teeth, but some plaque still forms underneath your gums. No matter how often you brush, the toothbrush will not reach it. Professional cleanings are essential every six months-- are you due for a cleaning?
