WINTER 2017

STONEBRIAR
SMILE DESIGN

LET'S UNITE. TOGETHER WE ARE STRONGER AND UNSTOPPABLE.

Dr. Wade was featured on Channel 5 Good Morning Texas.

Join Dr. Wade at the 2017 Go Red for Women Luncheon! This empowering event is focused on preventing heart disease and stroke by promoting healthy lifestyles and raising awareness

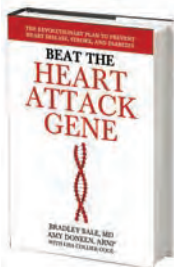

2017 Dallas Go Red Luncheon
Omni Dallas Hotel
Friday, February 3, 2017 at 10:00 am
GoRedForWomen.org

Military Wellness Initiative

MWI is an effort to move the military community up the wellness spectrum and upstream, towards prevention and preventative care, demonstrating that an entirely new approach to military wellness is possible. Dr. Wade was in Washington DC forging the way towards health and wellness. Pictured with Dr. Nova from Pathway Genomics. Learn more at militarywellness.org.

Dr. Wade will present "Dentistry With Heart: A Heart Attack Doesn't Care...Dentistry With Heart Does!" at Dallas County Dental Society on February 21st. This qualifies for (1) technical and/or scientific credit hour.

"Beat the Heart Attack Gene,"

by Bradley Bale, MD and Amy Doneen, ARNP is now available for purchase at Stonebriar Smile Design. This is a must read to learn about prevention of heart disease, stroke and diabetes. Pick it up at your next appointment.

New Year, New Insurance

It is that time of year when new insurance kicks in. We highly encourage all of our patients to contact us to update your insurance plan **PRIOR** to your appointment. This allows us to continue to estimate your patient portion properly.

Dear Friends,

Happy New Year to you all! 2017 has arrived and brings with it a sense of hope, change, and excitement! I counted my blessings this holiday season and have much to be thankful for. I am feeling compelled to share my enthusiasm, knowledge, and spirit with you all. Like it or not, here it comes!

Stonebriar Smile Design begins the New Year with a New Look on the world wide web. Check out our new website with added features at stonebriarsmiledesign.com.

Our team proudly commits to educating our patients on the oral systemic link and the preventive, whole body approach to staying healthy! With so many recent celebrity deaths, all from heart or stroke related issues, it makes me wonder if they were aware of testing that could have added years to their lives. I am boldly reminded that not everyone is educated on this life threatening disease that affects so many of us. Heart disease can be reversed. Heart disease can be prevented. Ask us how at your next appointment.

Come join us, this first quarter of 2017, for our many fun, upcoming events.

- Bowling with the Frisco Flyers
- Dancing with the Stars Performance
- Two Movie Premieres
- American Heart Association Luncheons
- **National Wear Red Day® is Friday, February 3, 2017**
- March Into Fitness Challenge

My hope for you is to find your passion, your why, your fire this year! Don't be "just okay" with everything. If you want to lose weight, then do it! If you want to be happier at work, then change something. If you're not feeling loved, then FIRST love yourself! You deserve to have it all! Dream big in 2017 and share your smile stories with us!

~ Dr. Wade

"The only way to do great work is to love what you do."

Steve Jobs

Frisco Flyers Special Olympics

Stonebriar Smile Design was a proud sponsor at the Annual Frisco Flyers Bowling Night of Fun in January! This event supports a great cause helping young athletes! friscoflyers.org
